**GENERAL AUCTION No. 2022**

The lots in this Auction come from 46 members so the descriptions vary in detail.

*Do not assume that a lot is any better than described.*

Where a catalogue value is stated, it was provided by the vendor and may or may not reflect the current retail value of the item. Such values have only been given where the asking price is notably less than the "cat." value.

The vendors' descriptions of condition vary widely but have been standardised into six categories - with additional comment in the individual descriptions, where needed.

The categories are (Rules dated 1 January 2010):-

**UM** (Unmounted Mint) = perfect; as issued; undisturbed gum; never mounted.

**LMM** (Lightly Mounted Mint) = faint evidence of hinge, otherwise perfect.

**MM** (Mounted Mint) = obviously mounted or hinge adhering, otherwise perfect.

**MNG** (Mint No Gum) = Mint but gum washed off or otherwise removed.

**VFU** (Very Fine Used) = pristine with clean, complete cds. or as suitable for age etc.

**FU** (Fine Used) = reasonable appearance with clean and not heavy cancellation.

**U** (Used) = anything not **VFU** or **FU**.

**CTO** (Cancelled to Order) = legally cancelled but not used for postage or revenue.

**B** after the Lot Number indicates a bulky lot.

▣ *General lots are usually described as being of the least valuable condition* ▣

▣ *The net weight is given so that the postage cost can be estimated* ▣

1. CLOSING DATE - All bids must be received by **Monday 16 January 2012**
2. BID FORM - Postal bids must be on the Bid Form (see back page) or a photocopy or facsimile - of both sides of the Form. Email bids will recorded on a Bid Form and deemed to conform with the stated conditions.
3. PROCEDURE FOR BIDS - Only postal or email bids will be accepted. Email bids will not be recorded prior to the receipt of the first postal bid, when all bids then received will be randomly recorded.
4. SUCCESSFUL BIDS - Lots will be sold to the highest bidder. The price will be either the bid made or one more bid step than the next highest bid, whichever is lower. If only one bid is received, the lot will be sold at the lower of the amount bid or the reserve price, if any.
5. ESTIMATED PRICES - These are indicated by an 'E' against the catalogue price. Such lots have no reserve and will be sold to the highest bidder, as above, provided that the Auctioneer considers the bid reasonable.
6. BUY BIDS - These will not be accepted.
7. TOTAL LIMIT ON BIDS - Members may place a spending limit which is less than the total amount of their bids. Any limit must be stated on the Bid Form. Once the limit has been reached, all subsequent bids will be ignored. Bids must be listed in order of preference using the numbered boxes on the Bid Form column 3 "Serial No.".
8. DESPATCH OF LOTS - This will start 2/3 weeks after the closing date and 2nd Class post will be used unless otherwise stated on the Bid Form or the value of the package exceeds £250 or otherwise at the Auctioneer's discretion. Postage and packing will be charged to the buyer.
9. PAYMENT - Please send with the Bid Form a completed cheque payable to Raflet Stamp Club and endorsed at the top "Not to exceed £ xxxxx", where xxxxx is the total bid plus a realistic allowance for postage & packing. No cheque will be processed until 7 working days after the lots have been posted.
10. RETURNED LOTS - Any item which does not appear to conform to its description must be returned within 24 hours of receipt. The reason for the non-acceptance must be stated and a Certificate of Posting should be obtained. A full refund will be given for lots mis-described.

# Welcome to General Auction No. 2022

***Bids from non-members will be accepted subject to a £1.00 surcharge representing a temporary membership fee. This will be included in any payments over £20.00.***

**NO BUYERS' PREMIUM**
